[Grand Knight's Report](#)

I hope that everyone has started off well for the New Year. Since we did not have a meeting last month, due to lack of a quorum, I hope that more people show up this month.

Now, we will have a few words from our Financial Secretary.

The first thing on the agenda is dues. Yes, once again the dues notice will be sent out. We have had some trouble collecting dues in the past and I hope that each of those requiring to pay their dues will do so promptly.

We should plan to have a pancake breakfast this month, on January 27th. This will be discussed at the meeting Thursday. Our staffing has become a serious issue and we have to talk about some alternatives that we have to continue...not just for the pancake breakfast, but as a Council. Without a breakfast, we will have no other means to gather money to pay our bills.

Mentioning bills, did I point out that the State and Supreme billing for us to exist as a Council is \$724.00 per year! That amount is why we need to collect our dues and have a money maker throughout the year.

Brothers, it is up to all of us, but individually it is up to you to be a part of us—The Knights of Columbus. Please help us to continue to do the works that we have in the past through Charity and by supporting not only the local Backpack program, but also the Seminarians, homes for unwed mothers and local donations that we have given in the past.

Think about it—we need to use our Time, Talents and Treasures to the fullest benefit of others. We give with our time in helping with breakfasts and rummage sales, we give in our talents + time, by supporting others by fixing items around the parish or helping parishioners in need of help and we use our treasures, more often than not, to help support the parish and then fulfill our obligations that we committed to the Knights of Columbus and the cause of Fr. Michael McGivney—to support others by our good works!

Are you going to help others by helping ourselves help them?

Lastly, let's establish a calling tree to contact those who are not coming to our meetings because they can not drive at night or for any other reason. I remember when I had a broken ankle and someone had to drive me!

[Just a reminder—the Annual Survey of Fraternal Activities is due January 31st.](#)
